From the Pastor

Congratulations Graduates

Today we celebrate a major milestone event in the life of our high school students—their graduation. Each year we set aside significant time to recognize this achievement and to celebrate this moment with them and their families.

Why celebrate such a moment? More than just acknowledging an academic achievement, the high school graduation of these seniors completes of a long line of milestone moments throughout their journey at First Baptist Statesboro. Our commitment to families is to walk alongside them and their children from birth, offering memorable moments that become building blocks of faith and Christian service.

These graduating seniors have participated in many such moments during their journey at First Baptist Church, and we celebrate this final milestone, which marks their transition into college and young adulthood years. May God continue to bless and guide each of them in the days ahead.

Israel Biblical Study Tour - June 2018

Have you ever wanted to study the Bible in the land where it all happened? Next summer (June 18-28, 2018) I will be leading a trip to Israel where we can not only see the biblical sites come to life but also study and learn scriptural truth in the context of their actual historical places.

We will ponder the sermon on the mount on the same hillside where Jesus stood years ago, and we will travel across the Sea of Galilee, retracing the journey of Christ and the disciples. The Jordan River, the Western Wall, the Temple steps, Mt. Carmel, the Valley of Jezreel, and the stone streets of Jerusalem themselves become the backdrop for our daily trips and the classroom for our Bible studies.

For more information, attend the Question & Answer Session being held in just two weeks on Sunday, June 4, 2017, at 6:00 pm in the Perry Fellowship Hall.
