From the Pastor

Have you ever considered studying the Bible in the land where it all took place? If so, I invite you to consider joining us on our next trip to Israel, set for next summer, June 18-28, 2018. Those who travel to Israel talk about the huge difference it makes in understanding the Bible, and their reading of the Scripture is never the same after coming home. Many say a trip to Israel turns their Bible into a "pop-up book."

Some of the highlights of our study trip will be the following:

- Sitting on the same hillside where Jesus gave the Sermon on the Mount
- Visiting the seaport city of Caesarea, which influenced the ministries of Peter and Paul
- Sailing across the Sea of Galilee and imagining the many trips that Jesus and His disciples took across the same body of water
- Touring the fortress of Masada, where the Jews took a final stand against the Romans in the first century
- Praying at the Western Wall
- Strolling through the Garden of Gethsemane on the Mount of Olives, knowing that Jesus prayed there Himself
- Worshipping at the Garden Tomb, adjacent to a limestone cliff known as "the place of a skull"
- Going underground to the excavated Antonia Fortress, and standing at the uncovered entrance where Jesus would have been brought the night before His death

I will be hosting an information session with questions & answers next Sunday, June 4, in the Perry Fellowship Hall at 6:00 pm. I invite you to attend and learn more about potentially being a part of this amazing study tour to Israel in 2018.

--- John Waters
