From the Pastor

Nepal & Malaysia

During the evening worship tonight, I will be sharing some pictures and stories about the time Cynthia and I spent in Nepal and Malaysia visiting our Baptist missionaries. As a trustee our denomination's International Mission Board, I was asked to visit the field where we've appointed missionaries to see firsthand the work they accomplish and the challenges they face.

The trip was an amazing experience as we saw their work among Tibetan Buddhists as well as their emphasis on university students in Kuala Lumpur. I look forward to sharing this experience tonight, and I hope you can be a part of this service.

Pagliarullo Reception

We are hosting a reception for Tony and Cyd Pagliarullo this afternoon at 3:00 pm in the Averitt Room. For more than 11 years Tony served our congregation as a ministerial staff member, so I trust you will be able to come by to thank Tony and Cyd for their service and to encourage them and their children as they begin a new chapter in their lives.

Search Process

Our church's Constitution and Bylaws, as well as our policies and procedures manual sets forth a clear process that we follow when searching for a new ministerial staff member. Interim leadership for college ministry has been secured, but we will begin the search for our next college minister in the next month or so, which involves the election of a Search Committee by the congregation in a Church Conference.

Please be in prayer for this process of searching for a new full-time college minister, as well as for the church members who may be asked to serve on the Search Committee. First Baptist Church Statesboro has a long, wonderful history of serving college students, so let's be faithful to pray for our church during these days of transition, and let's also pray for the person God will bring to us to fill this position and lead this ministry.
