Walking Where Jesus Walked

Have you ever wanted to walk the streets of Jerusalem and experience the sights and sounds of the Old City? Would you be interested in a quiet time of prayer in the Garden of Gethsemane, sitting on the same hillside that Jesus and His disciples did many years ago? And what about a visit to the Garden Tomb? Or a boat ride across the Sea of Galilee?

We will experience these and much more on our FBC Study Tour of Israel, June 18-27. We will travel all across Israel, exploring the sites where so many biblical events took place, and your Bible will become like a "pop-up book" as you understand the terrain, geography, and locations of where it all took place.

The deadline for registration is March 1, so there's still time for you to join us. I am hosting a no-obligation information session next Sunday, February 18, at 3:00 pm in the Multipurpose Room on Level 1. If you're interested in learning more about this trip and want to consider traveling with us, I hope to see you there.

Statesboro City Prayer for 40 Days

A 40 Day prayer emphasis is launching this week for our community, entitled "Seeking God for the City of Statesboro." Believers from area churches are asked to help cover 40 days and nights of prayer, beginning February 14 and continuing through March 25, by signing up for a time slot to pray either once or on a recurring basis during that time period. The prayer room will be located at Pittman Park Methodist Church, but all churches in our area are encouraged to participate and to send volunteers. If you are interested in learning more about this 40 Day Prayer movement or want to see what time slots are available, please contact me at john@fbc-statesboro.org.
