From the Pastor

SENT 2021

Since the start of January, we've been explaining our emphasis of SENT 2021, which reminds us of four priorities to pursue through the end of 2021: (1) Sunday School/Small Groups, (2) Eliminating Debt, (3) New Missions Partnerships, and (4) Transforming Our Community. Now that we've finished the launch phase, we will now turn our attention to developing specific plans to implement over the next three years. Key staff members will direct the work in each of these areas, but accomplishing our goals is not possible without your help, involvement, and support. Be prayerful and ready to join others as we live out the command to be "sent," whether it is across the street or across the globe.

Traveling to the Holy Land

Have you ever wanted to walk streets of Jerusalem and experience the sights and sounds of the Old City? Would you be interested in a quiet time of prayer in the Garden of Gethsemane, sitting on the same hillside that Jesus and His disciples did many years ago? And what about a visit to the Garden Tomb? Or a boat ride across the Sea of Galilee?

We will experience these and much more on our FBC Study Tour of Israel, June 18-27. We will travel all across Israel, exploring the sites where so many biblical events took place, and your Bible will become like a "pop-up book" as you understand the terrain, geography, and locations of where it all took place.

The deadline for registration is March 1, so there's still time for you to join us. I am hosting a no-obligation information session today at 3:00 pm in the Multipurpose Room on Level 1. If you're interested in learning more about this trip and want to consider traveling with us, I hope to see you there.

--- John Waters
