A Church Wide Gathering

As part of our Spiritual Journey Weekend led by George Bullard, we are hosting a church wide gathering on Friday, May 18, starting at 6:00 pm in the Perry Fellowship Hall. During this meeting, George Bullard will help us identify the strengths of our church, explain the life cycle of congregations like ours, and help us focus on the days ahead.

In order for this event to be successful, we need your help. Wide and deep participation from all segments of our congregation are needed, so please make every effort to be a part of this event. Both supper and child care are provided. We need to make proper meal and room preparations, so register your attendance and any need for childcare on our church website homepage, under the "Events" tab, or by simply calling the Church Office.

Older adults, younger adults, new church members, and longtime members are all needed. Please help us make this a successful event by participating in this church wide gathering May 18.

Next Sunday - Mother's Day

The celebration of Mother's Day is always a special time of worship at First Baptist Statesboro, so I trust you will be present next Sunday for this special day. We will have photographers on hand for you to capture the special day with your loved ones and friends, and I will be preaching an encouraging and practical message about the importance of Christian homes.

Deacon Election

Our Nominating Committee is in the process of selecting the men who will be presented for church approval to return as active deacons, or who will begin as first-time deacons. They welcome your suggestions and recommendations, so please submit the names of any men you want them to consider to Jimmi Lindsey at jimmi@fbc-statesboro.org or 912.489.7908.
