From the Pastor

Report from George Bullard Now Available

The summary report from George Bullard is now available, and we want to make his report widely available throughout our congregation. An email link to a downloadable copy was mailed to our church master list recently, and I trust you received the email and were able to access Bullard's report. If you didn't receive the email, it either was caught in your spam folder, or we did not have an email address for you on file.

If you did not receive a copy, simply contact the Church Office, and our staff will be glad to assist you in the download process or provide you with a printed copy. His report, observations, and recommendations are quite thorough, and we look forward to working through the material in the months ahead.

Prayer for Students and Teachers

During our morning worship services today, we will recognize the staff and teachers who work in our local school systems. We will pray for them, the students, and the start of the school year as it resumes this week and next. Some of our greatest missionaries are the staff and teachers scattered across the classrooms and campuses of our community.

Let's encourage them to live out their faith in authentic, meaningful ways during this coming school year.

Church Conference - Wednesday, August 1

Please remember that our next Church Conference is set for this Wednesday, August 1, at 6:00 pm in the Perry Fellowship Hall. Our Nominating Committee will present their recommendation for teachers, volunteers, and deacons at this Conference, and there will be other business as well. The Church Conference should be concluded by 6:20 pm so that choir members can still be at the choir kickoff event that evening.
