Nursing Ministry

One of the most beloved ministries in our church is our Nursing Ministry. Started in 1985, this love-offering ministry has aided countless families over the past 30 years, offering information, assistance, and practical help to many. Our current church nurse, Jane Dekle, has a gentle manner and a servant's spirit, and the Nursing Ministry continues to serve many members, most of whom are our older adults.

The exit offering following our Lord's Supper services usually goes to our Fellowship Fund (local benevolence), but your generosity to that fund this year allows us to earmark today's exit offering for the Nursing Ministry.

If you've never been a direct recipient of their services, I can assure you that someone sitting close by you today has been blessed by their ministry. The Nursing Ministry has been supported through love offerings since it began 30 years ago, and I am glad that it continues to touch so many lives even today. As you give to the exit offering for the Nursing Ministry, please give generously knowing that your gift will provide practical and tender ministry to many people.

Vision Team

Please pray for our Vision Team as they meet this afternoon to prepare for the church wide "100 Days of Prayer" to be launched in early 2019. This team of 30 members will guide our congregation in determining the church structure, strategy, and staffing pattern that is needed to follow God's vision for the next 10 years or so. We need participation that is both deep and wide, so pray for the Vision Team during these days of preparation, and decide now that you will participate in the 100 Days of Prayer in 2019.

Prior to determining strategies and structures, we need to seek God's face through confession, repentance, and prayer, ensuring that His Holy Spirit is directing and leading this process. Your prayers for the Vision Team today are a vital step in that process.
