God's Future Story

During our morning worship services today, our Vision Team will present the results of a church-wide vision process that describes "God's Future Story" for First Baptist Church Statesboro. This process began more than a year ago when we engaged church consultant, Dr. George Bullard, to lead our church in evaluating and clarifying where God is leading us for the next decade.

We began in May 2018 with church members sharing thoughts and insights with Bullard's team in a large group setting as well as in focus groups, and then we launched the 100 Days of Prayer. This church-wide experience included nearly 400 people meeting and praying together in groups of three for several months, talking and praying about God's vision for our church. Three potential scenarios were considered and 80% of the triplets chose the same scenario, entitled the "Great Commandment and Great Commission Scenario." Strong ideas from the other two scenarios were also included to create the "future story" that is shared today.

Now we have the joy of traveling ten years into the future and hearing how this church has pursued God's vision. The "Pierce family" will share the story from their future perspective in the year 2029, looking back over the previous ten years to see how it all came about.

Let's all join hearts and hands together so that we can travel forward with determination and excitement into the years that are ahead.

Deacon Election

Your input is needed for the Nominating Committee as they consider names for deacons to serve in our congregation. To suggest a name for consideration, email tammy@fbc-statesboro.org or call the Church Office to share your ideas. Every recommendation you provide will be forwarded to the Nominating Committee for their discussion. Thank you for assisting and helping in this way, and please pray for our Nominating Committee as they work through this important process.
