From the Pastor

God's Vision for First Baptist Church Statesboro

Over the past few weeks, we've been focused on God's vision for First Baptist Church Statesboro. As a result of the 100 Days of Prayer that began in January, you as a congregation have clarified where God is leading us, which is anchored in our commitment of the Great Commandment and Great Commission. In a practical sense, this means that all of our programs, activities, and ministries need to be filtered by our commitment to making disciples faithfully and loving God earnestly.

But what does it mean to be a disciple-making church? Beyond just recording attendance figures and hosting exciting events, we must help people on their journey of learning more from Jesus and living daily for Jesus. It begins by sharing the Gospel story through evangelism and continues by facilitating spiritual growth through discipleship. The commitment to be a disciple-making church is anchored in the Scriptures, and it requires all of us working together.

I am excited about taking this journey into the future. How about you?

College Ministry Update

During our morning worship services, Josh Mock will provide an update about the good things happening in our College Ministry. Josh has been serving as our interim college leader since September, and he has helped to refocus the important work geared to college students. Additionally, Josh will tell us how we can be involved in the coming semester in order to reach and disciple students. Please pray for Josh and for the volunteers needed to strengthen and build this strategic ministry for college students.

Also continue to pray for our Search Committee as they resume their work of searching and recommending our next full-time college minister. Both the need and the task are great, but exciting days are ahead as we remain faithful to Him.

-- John Waters
