7 Marks of a Disciple

Today we continue exploring the seven characteristics of a disciple, based on the teachings of Jesus. The first of the seven marks is "putting Jesus first." When teaching His followers the importance of faith and commitment, Jesus set a high standard. He must be first above everyone and everything else. The standard has not changed, and if we claim to be His disciples, then we must put Him first. Don't forget that the Bible reading plan that supports the 7 Marks message series is available as a handout, or on Facebook each morning. This is a wonderful time for our congregation to be reading the Scripture together, and this experience can be the perfect step in creating your own routine of reading the Bible daily.

Prayer Triplets & Sunday Nights

Similar to our approach during our previous prayer triplet cycle, we will not be planning any additional church wide events on Sunday nights, other than those already calendared. The church buildings will be open and available for prayer triplets to use from 4:00-7:00 pm each Sunday evening, with the flagpole entrance at the rear as the only access point. Staff and volunteers will be on hand to assist with security and other needs.

Superpowers: Discovering Your Spiritual Gifts

Tonight at 6:00 pm in the Perry Fellowship Hall we continue our study of spiritual gifts. Even if you were not able to attend last Sunday, it is not too late as we begin looking at the list of individual spiritual gifts tonight. Notebooks and handouts will be available when you arrive to use during the sessions. Included in the notebook is a "Spiritual Gifts Survey" for you to use as an aid in understanding and identifying your personal spiritual gifts. I look forward to seeing you tonight as we continue this journey together.
