From the Pastor

7 Marks of a Disciple

Today we consider the second characteristic that Jesus said would be evident in the life of a disciple: abiding in God's Word. Is the Bible God's Word, and if it is, does it have the authority and power to change our lives? And if reading the Bible is so important, then why do so many believers seldom read the Scriptures, unless they are in church?

Abiding in God's Word is an indispensable part of following Jesus, and today we will explore how this practice can be a regular part of your life. Further, I hope you have been using the daily Bible reading plan that supports our 7 Marks message series. Reading the Bible consistently at home by yourself is a crucial step in your faith journey, and this Bible reading plan provides you an easy way to make this part of your daily routine.

Final Session for Spiritual Gifts

Tonight is our third and final session of our Discovering Your Spiritual Gifts workshop. In addition to explaining the remaining spiritual gifts on the biblical lists from the New Testament, our guest teacher, Chris Winford, will help us know how to use them in an ongoing way or ministry within our local church. Remember that childcare is provided as we gather tonight at 6:00 pm in the Perry Fellowship Hall.

Prayer Triplets & Sunday Nights

Similar to our approach during our previous prayer triplet cycle, we will not be planning any additional church wide events on Sunday nights through December, other than those already calendared. Instead, the church buildings will be open and available for prayer triplets to use from 4:00-7:00 pm each Sunday evening, with the flagpole entrance at the rear as the only access point. Staff and volunteers will be on hand to assist with security and other needs.
