From the Pastor

Discover FBC - November 17

If you have been attending First Baptist Church Statesboro for a few weeks or several months, then I invite you to join me for an informal question and answer session, entitled Discover FBC. I personally host this 45-minute session several times a year so that newcomers can get to know this congregation and me better.

People also regularly have questions about the commitment of church membership. What does it mean to be a church member? Who is eligible, and who is not? Do I have to be baptized? Can I attend without being a member? These questions and more will be discussed at Discover FBC as part of our "no strings attached" session. We will meet on Sunday, November 17, at 10:00, am in the Averitt Room, which is located on Level 1 near the Perry Fellowship Hall entrance. Use the circular drive-through entrance at the rear of the complex, and you will see the signs directing you to the room for Discover FBC. There's no need to call ahead and make reservations; just show up, and we'll be ready for you.

7 Marks of a Disciple

Today we conclude the message series about the 7 Marks of a Disciple. The final characteristic of those who are following Jesus is that we are to be making other disciples. Ultimately, Jesus has called us to be disciples who make other disciples, and His command for reaching and discipling others is as relevant today as when He gave it. Our prayer triplets have a couple of more weeks before they finish their 10 week prayer journey that has focused on these characteristics of disciples. At the end of this process, each prayer triplet will submit a response form that will provide great input about how our church can develop a process of making disciples. Thank you for being a part of this journey and for providing insight and input into our church's disciple-making process.
