**Prayer Triplet Responses**

My prayer triplet has only one more session to complete as part of our church wide 10 week journey together. I trust you have enjoyed this process as much as I have, and I am so grateful to have connected with the two men in my prayer triplet over these past weeks together. The final response form (one per triplet) needs to be brought to our last gathering next Sunday night, which is also our annual Thanksgiving Potluck Supper. In addition to celebrating God's work among our prayer triplets, we will also enjoy a wonderful fellowship meal together.

You are invited to the Thanksgiving Potluck Supper even if you were not part of a prayer triplet. This annual meal is a wonderful time to make new friendships as we gather around the tables, so everyone is invited. Nothing is provided by the church (except for tea and water), so we will eat and share whatever each of us brings. And of course, I will bring some of my soon-to-be-famous Mexican Cornbread.

**Process of Disciple-Making**

The input from the prayer triplet response forms will provide needed insight into how our church can strengthen our process of discipleship. We hope to use the information you provide to create a next-step spiritual growth process, commonly called a "discipleship pathway." Instead of the staff creating this pathway by themselves, we are using your experiences and ideas to construct a process that carries the DNA of our church.

If your prayer triplet cannot attend the Thanksgiving Potluck Supper, simply send or email your response form to the Church Office. As hundreds of our church members provide their input about the mechanics of disciple-making, I am confident that we can develop a pathway that is owned by our congregation in a way that is both deep and wide. Thank you for participating in this important process.

-- John Waters
