From the Pastor

The New Year

Once again, we find ourselves at the dawn of another year. The year 2019 has been filled with wonderful reminders of God's work in our church, and the vision process has been the Lord's tool to refocus us on the biblical task of making disciples. I am excited about what 2020 has in store for us, and I look forward to the journey we will take together as a congregation, anchored in the Great Commandment and the Great Commission.

College Ministry Update

It has been a busy year in our college ministry, and a team of staff and volunteers have continued to keep this ministry moving forward. Keith Hagan, our administrative pastor, as well as various volunteers, interns, and other staff members, have been vital in leading our college ministry during this time of transition.

- Passion Conference 2020 - A group of our college students will be attending the Passion Conference in Atlanta this week, joining tens of thousands of other college students to worship Jesus and to learn how to leverage their lives for the sake of God's Kingdom work. Please pray for our college students and leaders who will attend, asking God to change their lives and our world as a result.

- Minister Search Process - For many months, the College Minister Search Committee has been working, meeting, and praying for God's guidance to find our next college minister. After a long season of work, the Committee has narrowed its search to four candidates. Each of these candidates has previous collegiate ministry experience and has come highly recommended to our congregation. The Committee is gathering additional information on these four candidates, and they hope to begin a formal interview process soon. Please pray for this Search Committee, asking the Lord to direct their thoughts and plans so that He leads us to the college minister that He has prepared for us, according to His will and His timing.
